SCHOOL REPORT.

REPORT OF THE BOARD OF EDUCATION OF THE TOWN OF
WOODSTOCK FOR THE YEAR 1886.

The Board of Education submit the following report.

There have been three schools in different places in town the past year. One taught by Miss Annie E. Abbott, at the centre of the town, commencing May 3d and ending July 3d, making a term of nine weeks, also one term of ten weeks, commencing Sept. 13 and ending November 19, taught by the same teacher. Both terms were very successful and the scholars made good improvement. Whole number of scholars in attendance: spring term, 26; fall term, 28. Average daily attendance: spring term, 25; fall term, 26.

One school at the north part of the town of two terms, one commencing May 3d and ending June 11, making a term of six weeks. This term was taught by Miss Kate T. Emerson of Camp-ton. Although this was Miss Emerson's first term it was a success, although the school was so short that the scholars had only got fairly started before it was closed. Whole number of scholars 25, average attendance 23. The second or fall term commenced Sept. 13 and ended Nov. 19, and was taught by Miss Alice L. Clark, an experienced teacher who is always successful as a teacher. Whole number of scholars this term 25, average daily attendance 22.

A school of 10 weeks was kept the east side of the river, commencing Sept. 6 and ending Nov. 12, taught by Miss Millie S. Morse. Whole number of scholars 9, average attendance 7. This school made good improvement and the teacher labored hard to make her little school a success.

The south part of the town or what was formerly district No. 5, united in sustaining a school of two terms, one 5 weeks, the other 8 weeks, with the adjoining district in Thornton. Number of scholars attending school from Woodstock in Thornton, 8. Whole number of scholars attending school in town, 70.

Respectfully Submitted,
